ABOUT MASHED MYTHS!

"Funny and very entertaining, this 128-page riot will appeal to fans of Horrible Histories and the Treehouse books... This book has an excellent chance of enticing even the most reluctant readers." **Julie Murphy, Children's Book Council of Australia**

MASHED MYTHS: Greek Heroes

How did Jason defeat the dreaded farting Harpies? Was Hercules's hair really that great, really? And why did Perseus love fish milkshakes so much?

Fractured fairy tales meets Percy Jackson in this hysterical collection of rollicking classic stories.

MASHED MYTHS: Medieval Heroes

Medieval times! Knights! Wizards! Dragons! Donuts! Medieval Heroes mashes the classic tales of Robin Hood, King Arthur, Merlin, and more into a big medieval stew.

MASHED MYTHS: Women Warriors COMING SOON!

Women Warriors! Meet heroic Hydna who saved the Greek fleet from the Persians and invented surfing (sort of). Hervor, whose quest for a magic sword cursed her with the windiest bottom in the land, and Atalanta, slayer of the Calydon Boar (and talented nose flute player).
